Repeat rows 1-22 four more times.

Switch to color B and repeat rows 1-22 four times.

Repeat rows 1-20 once more with color B.

Continue to Finishing.

Finishing:

Cast off in pattern and weave in all loose ends.

Create 8 tassels in each colour and attach them evenly spaced to the blanket ends (one in each corner and then one halfway through each row of cables).

To make the tassels, wrap yarn around a 6 inch long piece of cardboard ten times. Thread a strand of yarn through the top and secure with a knot (A). Snip through the ends at the bottom and tie another piece of yarn around the top approximately half an inch down (B). Trim the ends so that they are even. Use a crochet hook or yarn needle to pull yarn through the edge of the blanket and tie in a knot to secure the tassel. Weave in the ends.
