Row 1: HHDC in third chain from hook and in each remaining chain; CH2, turn.

Row 2: HHDC in each hhdc; CH3, turn.

Row 3: *Skip next 2 hhdc, V-St in next hhdc; repeat from * to end of row; CH2, Turn.

Row 10: HHDC in each hhdc; CH3, turn.

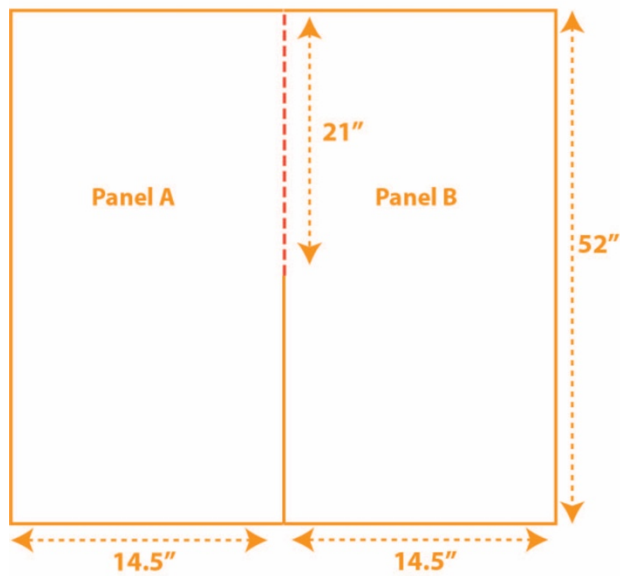

Repeat Rows 3-10 three more times. At the end of the very last row, do not chain 3 since you do not need a turning chain. Fasten off and weave in all loose ends.

Finished piece will measure 52" X 14.5".

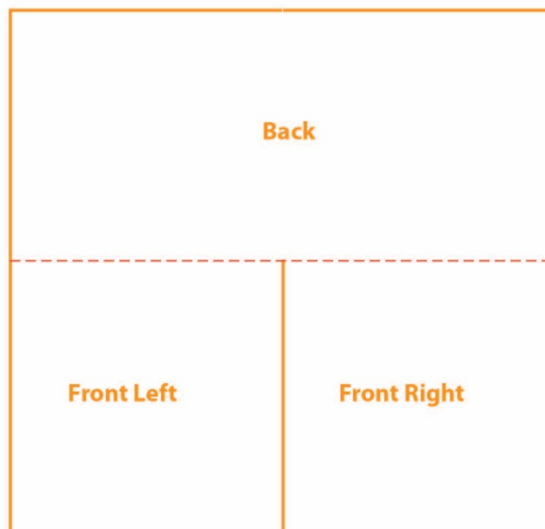

Once both rectangular pieces have been created, continue to **Finishing Instructions**.

Finishing Instructions:

Step 1: Join Panels A and B together along dashed line to create back seam.

Step 2: Fold over along dashed line.

Step 3: Join front to back along dashed lines to create arm holes.
